

**Spearheading a Powerful,
Confident and Safe Movement**

PSL ENGINEERING PVT. LTD.

Special Purpose Vehicle Division

The Organisation

PSL Engineering Pvt. Ltd. (PSL), an associate of the US\$ 500 million Fedders Lloyd Group, was established in 1987. Its success story is scripted with quality assurance, experience and cutting edge technology. The Group comprises several organisations with diverse business interests including manufacturing activities for the air conditioning industry -- chillers, heat exchangers & radiators, sheet metal fabrication, Scaffolding, Formwork, Structural Steel Buildings, Power Projects & Global Infrastructure Projects. PSL Engineering specialises in manufacturing special purpose vehicles, which are much in demand both within the country as well as several other countries around the world.

Following A Clear Vision

Besides attaining high level of excellence in automation of production, perfection in man and machines, and multi-purpose mobile platforms, the Company's envisages the incorporation of world class thoughts to define its position on excellence.

Driven By The Mission of Excellence

In addition to its passion for quality in Heavy Structural fabrication and Heavy duty Modular Trailers, the company is also focusing its core strengths on fabrication of Special Purpose Vehicles.

Product Portfolio

Special Purpose Vehicles

Insulated SS/MS Water Browsers

Construction Tippers / Dumpers

Light Recovery Vehicles

Rail cum Road Vehicles

Lube Oil / Petroleum Tankers

Bottom Loading Petroleum Lorries

SS/MS/Aluminium Containerized Vehicles

Refrigerated Vehicles

Cash Vans

Bullet Proof / Armoured Vehicles

Bunk Houses / Shelters / Porta Cabins

Load Bodies / Troop Carrier / Chassis Parts

(Long Member/ Cross Member)

Sheet Metal Components

Bullet Proof Ambassadors

5KL Water Tender

Construction Tippers

Stallion 4x4 Troop Carrier

2KL Water Browser

20KL Lube Oil Tanker

Rail Cum Road Vehicle

Bunk House

5KL Water Browser

Garbage Tipper

Hyd. Press-2500MT

Break Press-160MT

Insulation Puffing Machine

From Strength to Strength

Today, PSL Engineering Pvt. Ltd is striving for leadership in fabrication of Special Purpose Vehicles / Bullet Proof Vehicles, Armoured Vehicles, Cash Vans, Construction Tippers, Light Recovery Vehicles, Water Bowsers, Refrigerated Vehicles, Troop Carriers, etc. Its state-of-the-art manufacturing plant at Maneri, Jabalpur is spread over 35 acres and equipped with the latest machinery for various manufacturing activities. Since its establishment PSL has been associate with Defence and Original Equipment manufacturers for various aspects of vehicle body building.

Tig / Mig Welding

Seven Tank Phosphating System

Hyd. Mobile Crane-12 Ton

List of Major Machines and Equipments available:

- Hydraulic Presses upto 2500 MT capacity
- Break Press upto 160 MT capacity
- Shearing machines for handling thickness upto 12mm and width upto 2500mm
- EOT Cranes capacity 3, 5, 10 & 20 MT
- TIG / MIG / SAW Welding Machines
- CNC Profile Cutting Machine
- FICEP TIPO A16 Automatic CNC Drilling and Thermal cutting line.
- FICEP 1045 LBH Automatic Band Sawing Line
- FICEP 1103DE Automatic CNC Drilling Line
- Seven Tank Phosphating System
- Sand Blasting System

Joining Hands To Move The World

PSL and Shanghai Fulangjie Import & Export Company Limited, China (a subsidiary of Hubei Tiandi Heavy Duty Industrial Group Co. Ltd.) have forged a technical partnership for manufacturing and marketing heavy-duty vehicles used in mega construction and other large projects.

The technical collaboration has not only helped Fulangjie gain a solid foothold in the Indian market, but has also strengthened PSL's stand in the global arena. Together, the two companies will be able to provide better products and services to all their customers in India and the world at competitive prices.

Quality – Nothing But The Best Will Do

PSL is committed to continuously improve its quality standards to meet the ever increasing expectations of customers. ISO 9001-2008 certification by CVI is inline with continuous emphasis on our quality policy.
